CONFERENCE SECTIONS

Section	Title	Co-Chairs
1	Applied spatial data analysis	Prof. Zizi Goschin & Prof. Elena Druica
2	Data Mining and Artificial Intelligence	Prof. Adrian Costea & Prof. Dumitru Iulian Nastac
3	Demography and Applied Statistics in Social Science	Prof. Constanta Mihaescu & Prof. Laura Asandului
4	Econophysics and Complex Systems	Prof. Claudiu Herteliu & Prof. Roy Cerqueti & Prof. Tudorel Andrei
5	Human Capital. Economic Development and Inequalities	Prof. Cristina Boboc & Prof. Valentina Vasile
6	Internal and International Migration – quantitative approaches	Prof. Monica Roman & Prof. Ciprian Antoniaade Alexandru Caragea
7	Official Statistics and R software	Prof. Miruna Mazurencu & Prof. Nicoleta Caragea
8	Quantitative analysis in the social and business environment	Prof. Titan Emilia & Prof. Carmen Pintilescu
9	Statistical Modelling of Digital Assets	Prof. Pele Daniel Traian & Prof. Lucian Visinescu
10	Young Statisticians Europe: Theoretical and Applied Quantitative Methods	Prof. Constantin Mitrut & Assistant Prof. Raluca Caplescu & Ph.D. Fatemeh Ghaderinezhad

For all sections, papers falling under one of the following topics are welcomed:

Actuarial and Financial Statistics and Applications, Applied Statistics in Social Science, Biostatistics and Bioinformatics, Data Collection and Applications, Data Mining, Data Science, Data Science and Artificial Intelligence, Data Science and Blockchain Technology, Data Science and Fintech, Demography, Design of Experiments, Econometrics (Macro and Micro Econometrics), Mathematical Statistics, Measurement, Network Analysis, Sampling Techniques and Applications, Spatial Statistics and Econometrics, Statistical Analysis of Internal and International Migration, Statistical Applications in International Comparisons, Statistical Modelling and Simulation, Official Statistics, Statistical Software (R, SAS, Python), Statistics in Education, Other Areas of Applied Statistics and Applied Quantitative Analysis, Quantitative approaches in entrepreneurship and innovation, Business statistics, Business analytics, etc.

For all sections papers covering OTHER topics that might be relevant for the section are also welcomed.

CONFERENCE ANNOUNCEMENT

The **14th International Conference on Applied Statistics** is jointly organized by the Department of Statistics and Econometrics from the Bucharest University of Economic Studies, by the Romanian Society of Statistics and by the Applied Statistics and Econometrics Group.

The 14th International Conference on Applied Statistics will be opened by Keynote Speeches. For further details, please check the webpage of the event or write as to simpstat@csie.ase.ro.

AIMS AND SCOPE

The main goal of the **14th International Conference on Applied Statistics** is to provide an opportunity for academics, researchers, Ph.D. students and business professionals to meet and to present their research results on topics related to quantitative analysis and applied statistics. The one-day program consists of invited paper presentations, contributed paper sections on various topics and a section dedicated to young researchers.

All accepted papers will be published in the **Conference Proceedings** which will be sent to be indexed by **Clarivate Analytics** (former ISI) under **SCIENDO De Gruyter**. The official language of the conference is English.

IMPORTANT DATES

Full paper submission: **16.11.2020**

Author notification about the acceptance of the paper: **within 10 days from receiving the paper**

Fee payment deadlines:

16.11.2020 for regular fee for academics and researchers

20.11.2020 for late fee for academics and researchers

20.11.2020 for business representatives

Conference: **25.11.2020**

Submission of revised paper for the Conference Proceedings: **05.12.2020**

REGISTRATION FEE AND SUBMISSION

The regular registration fee is **100 EUR (490 RON) per paper (90 EUR (440 RON) per paper for Ph.D. Students)**, covering the publication in the **De Gruyter Sciendo** (will be sent to be indexed by **Clarivate Analytics**) Conference Proceedings.

The late fee, for the first author is **125 EUR (615 RON)** and all other authors participating at the conference will be accepted for free.

The fee for business representatives is **125 EUR (615 RON)**.

The conference will be held online and does not involve costs of transport and accommodation.

Further details about payment methods and online address of the Conference and sections will be sent to corresponding authors via email in due course.

The papers must be submitted following the attached Author Guidelines.

Please submit the final paper on the following e-mail address:

E-mail: simpstat@csie.ase.ro

Conference Web Page: <http://simpstat.ase.ro/>
