

The 15th International Conference on Applied Statistics

November 11-12, 2022
Predeal, “Ion Gh. Rosca” Training Center
Romania

Call for papers

ICAS 2022

KEY DATES

Abstract submission: 15 September 2022

Author notification about the acceptance of the paper: within 10 days from receiving the paper

Fee payment deadline: 30 September 2022

Submission of revised paper for the Conference Proceedings: 1 December 2022

PATRONAGES

The **15th International Conference on Applied Statistics** is jointly organized by the Department of Statistics and Econometrics from the Bucharest University of Economic Studies, the National Institute for Statistics and the Applied Statistics and Econometrics Group.

AIMS AND SCOPE

The main goal of the **15th International Conference on Applied Statistics** is to provide an opportunity for academics, researchers, PhD students and professionals from the business environment to meet and to present their research results on topics related to quantitative analysis and applied statistics. A two-day program consists of invited paper presentations, contributed paper sections on various topics and ends with a workshop on statistical education.

KEY-NOTE SPEAKERS

We proudly announce the following ICAS 2022 Key-Note Speakers:

		
DANIEL BALSALOBRE LORENTE	GAGAN DEEP SHARMA	BOGDAN OANCEA
Associate Professor at University of Castilla-La Mancha	Associate Professor of Finance at Guru Gobind Singh Indraprastha University, New Delhi	Director, Romanian National Institute of Statistics and Professor at the University of Bucharest
SPAIN	INDIA	ROMANIA

The official language of the conference is English.

There will be ensured facilities for hybrid attendance.

CONFERENCE SECTIONS

Algorithms and applications for statistical purposes

Census and innovative data collection methods

Challenges and limits of energy sector in the context of prolonged overlapping crisis

Data mining and artificial intelligence

Demography, Migration and Applied Statistics in Social Science

Econo-physics and complex systems

Entrepreneurship & Innovation in the new economy – quantitative approaches

Human capital, economic development and inequalities

Quantitative analysis in the business environment, audit and evaluation

Regional economics and applied spatial data analysis

Statistical modelling of financial digital assets

For all sections [papers falling under one of the following topics](#) are invited:

Actuarial and Financial Statistics and Applications, Applied Statistics in Social Science, Biostatistics and Bioinformatics, Data Collection and Applications, Data Mining, Data Science, Data Science and Artificial Intelligence, Data Science and Block chain Technology, Data Science and Fintech, Demography, Design of Experiments, Econometrics (Macro and Micro Econometrics), Mathematical Statistics, Measurement, Network Analysis, Sampling Techniques and Applications, Spatial Statistics and Econometrics, Statistical Analysis of Internal and International Migration, Statistical Applications in International Comparisons, Statistical Modelling and Simulation, Official Statistics, Statistical Software (R, SAS, Python), Statistics in Education, Other Areas of Applied Statistics and Applied Quantitative Analysis, Quantitative approaches in entrepreneurship and innovation, Business statistics, Business analytics, etc.

For all sections papers covering [OTHER topics](#) that might be relevant for the section are also invited.

PUBLICATION OPPORTUNITIES

The accepted papers may be published in the **Proceedings of the Conference** under **SCIENDO De Gruyter**.

Selected papers may be submitted to the following partner journals:

- **Journal of Social and Economic Statistics-** published by Sciendo
- **Journal of Applied Quantitative Methods** – published by the Bucharest University of Economic Studies
- **Romanian Statistical Review-** Covered by ESCI, Clarivate
- **Journal of Economic Computation and Economic Cybernetics Studies and Research-** Indexed in Web of Science, Clarivate

IMPORTANT DATES

Abstract paper submission: **15.09.2022**

Author notification about the acceptance of the paper: **within 10 days from receiving the paper**

Fee payment deadline: **30.09.2022** for regular fee for academics and researchers

Conference: **11.11.2022 – 12. 11.2022**

Submission of revised paper for the Conference Proceedings: **1.12.2022**

REGISTRATION FEE AND SUBMISSION

The regular registration fee is **130 EUR per paper** covering the publication in the **De Gruyter Sciendo** (will be sent to be indexed by **Clarivate Analytics**) Conference Proceedings, conference materials, lunch and Gala Dinner (for one author). Second and third authors attending the conference will be subject to an additional **90 EUR Fee per person**, including all materials and events of the conference.

Further details about registration and template of the paper be available on the **web page of the Conference**.

Web Page of the Conference URL: <http://simpstat.ase.ro/>

ACCOMODATION

The costs of transport and accommodation are to be covered by participants.

We offer accommodation at “**Ion Gh. Rosca**” **Training center** of the Bucharest University of Economic Studies in Predeal.

Please check the website of the conference for additional information and special rates.

For contact and full paper submission please use the following e-mail address:
